

MULTIFAMILY LOCKER SOLUTIONS

SIMPLIFY AND SECURE YOUR
PACKAGE MANAGEMENT
PROCESS

ARE YOU READY FOR INCREASED PACKAGE VOLUME? WE ARE!

E-commerce growth has led to a 48% increase in package volume over the past 2 years. And the packages will just keep coming. Today's busy property managers need a quick, easy, and secure way to manage the overwhelming deluge of daily deliveries. Parcel Pending's secure, electronic self-service package lockers are the solution.

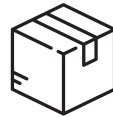

WHY CHOOSE US?

-  **SAVE VALUABLE TIME AND MONEY**
No more time spent accepting, sorting and distributing packages.
-  **CONTACT-FREE PICKUP**
Scan a barcode or use the mobile app to open lockers.
-  **BOOST RESIDENT SATISFACTION**
Convenient, 24/7 package access for residents.

PARTNERSHIP

Your on-site teams and management receive training from your dedicated customer success manager.
